INTRODUCTION (13PT, CALIBRI, BOLD, UPPERCASE)

(Text: 11pt, calibri, justify, single).

Articles of 3000-5000 words (introduction to conclusion).

The introduction contains the background, gaps, objectives, and research framework.

Subsections can be written as follows.

Subsection (13pt, calibri, bold, sentence case)

(Text: 11pt, calibri, justify, single).

Subsubsection (12pt, calibri, bold, italic, sentence case)

(Text: 11pt, calibri, justify, single).

METHODS (13PT, CALIBRI, BOLD, UPPERCASE)

(Text: 11pt, calibri, justify, single).

The method describes review techniques from identifying and screening the works to be reviewed to their analysis.

RESULTS AND DISCUSSION (13PT, CALIBRI, BOLD, UPPERCASE)

(Text: 11pt, calibri, justify, single).

The results describe the findings, while the discussion explores the findings from the results. You can write down the results and discussion in separate subsections or one whole. You can include tables atau figures, or equations with the following rules.

Table and figure

Table 1 (10pt, calibri, sentence case)

Xxxx	Xxxx	Xxxx

Figure 1 (10pt, calibri, sentence case, centre)

Equations

$$ax^2 + bx + c = 0 \quad (1)$$

CONCLUSION (13PT, CALIBRI, BOLD, UPPERCASE)

(Text: 11pt, calibri, justify, single).

The conclusion consists of a statement to answer the purpose and contribution of this research to the advancement of current knowledge and future follow-up.

Limitations and future direction (13pt, Calibri, Bold)

(Text: 11pt, calibri, justify, single).

Limitations are situations and conditions that limit research so that they can affect the conclusions of the research results. These limitations can provide opportunities for future research. Describe the future direction of this research.

Acknowledgements (13pt, Calibri, Bold)

(Text: 11pt, calibri, justify, single).

Acknowledgments are statements to those who assist research, especially funding supporters.

Declarations (13pt, Calibri, Bold)

(Text: 11pt, calibri, justify, single).

Declaration is a statement about the contribution of each author, availability of data and materials, absence of conflict of interest, or other information.

REFERENCES (13PT, CALIBRI, BOLD, UPPERCASE)

(Text: 11pt, calibri, justify, spasing single, APA style)

The references are journals, proceedings, and books that are relevant, up-to-date, and international scale.
