

Additional Annex of the Faculty of Science MU – Initiation of Habilitation and Professor Appointment Procedures

APPLICANT'S PROFILE OVERVIEW

This annex serves for an internal screening review at the Faculty of Science MU during the initiation of the habilitation or professor appointment procedure. The applicant is encouraged to highlight his/her experience and strengths in respective fields. It is expected that all additional and detailed information and supportive materials are provided in separate annexes.

Applicant

Name and surname, incl. academic degrees:

Type of procedure: habilitation procedure / professor appointment procedure

Field in which the appointment is being sought:

PEDAGOGICAL EXPERIENCE

- 1 Overall duration and overview of pedagogical practice at higher education institutions after PhD degree.

Institution	From – to	Position

- 2 Specific information on semester-long courses (teaching/guaranteeing full semester lectures, seminars etc.).

	Lectures	Seminars / Exercises
Total number: ¹		
Total number of taught semesters: ²		
Guaranteed by the applicant:		

- 3 Select 3 of your courses with the greatest educational impact and describe in words the extent of your involvement in teaching.

Course	Extent of involvement

¹ Fill in with accordance to Annex No. 4, part i) Regular teaching conducted by the applicant. Lectures = Lectures; Seminars / Exercises = Class exercises and laboratory courses + Seminars.

² The number of semesters in which you taught at least one lecture course or seminar course.

- 4 Overview of experience with supervising students. Please provide numbers only.

	Successfully defended theses	Currently supervised students
Bachelor		
Master		
Doctoral		

RESEARCH EXPERIENCE³ - KUK vyplňuje sekci 5

- 5 Publications in WoS (original articles, reviews and others) and high-quality research outcomes with applicant's major contribution. Please provide numbers only.

Original research articles in WoS:		Number of citations in WoS (without self-citations):	
Reviews in WoS:		H-index according to WoS:	
High-quality research outcomes with a major contribution of the applicant (i.e., typically main or corresponding author)			

Letters in WoS:

- 6 Other research publications and outcomes (book chapters, books, full text proceedings, etc.). List only in case when WoS is less relevant for your research field. Provide the type of publication and number.
Example: book chapters – 2, books – 1, full text proceedings – 1, etc.

--

INDEPENDENCE AND LEADERSHIP

- 7 List max. 3 most important stays abroad longer than 1 month.

Country of stay	Main role	Outcome	Number of months

- 8 Research independence and implementation of own research activities demonstrating the potential to obtain extramural research funding (namely grants – national and international).

Grant (list 3 most significant grants)	Duration	Role (preferentially principal investigator, etc.)

³ Expected field-specific requirements for research activity can be found on the last page of this document.

9 Leadership of research teams. Describe your experience in max. 350 characters.

--

Date:

EXPECTED FIELD-SPECIFIC REQUIREMENTS FOR RESEARCH ACTIVITY

Faculty indicative requirements (1st number – habilitation procedures / 2nd number – professor appointment procedures). Please note that higher indicators may be expected at individual sub-areas.

	High-quality research outcomes with a major contribution of the applicant	Original publications (regular article) in WoS	International peer-review publications (in total)	Citations (without self-citations) in WoS**
Geography, Geology, Anthropology	2 / 6	6 / 15	20 / 40	15 / 30
Biology, Chemistry, Biochemistry, Life Sciences, Environmental Health Sciences	5 / 20	15 / 40	n/a	100 / 200
Mathematics	2 / 6	6 / 15	15 / 30	10 / 30
Physics	5 / 10	15 / 40	n/a	60 / 200

*original publications in journals above the median of the field according to WoS, monographs

**other citations may exceptionally be accepted for specific sub-areas
