خطاب عمل

Now it's your turn to do the Can-Do Statement! The purpose of this activity is for you to try doing the Can-Do Statement using what you've learned and prepared in the previous stages and then to reflect on what you still need to work on to do the Can-Do Statement.

Can-Do Statement:

Part 1: Create

Using خطاب عمل as an example, write a cover letter template for yourself that you could use to apply to a specific job in your field. Think about what you would have to change and/or add to tailor it to your specific field.

Part 2: Share

Share your cover letter with your classmates and read your classmates' cover letters. Give advice on how to strengthen their cover letters, and maybe get some great ideas from their writing to add to your own cover letter!

Then, make changes to your cover letter, taking into consideration the advice and ideas you got from others.
