Sana F.

Tutor
San Antonio Math Include

Sana is in the Class of 2023 at the University of Texas at San Antonio. Firstly, she studied till Grade 10 in her school in India. Then, she graduated High School last year by taking the GED. Now, she is into a career in STEM which is Engineering. Presently, she is excited to teach a few of the STEM subjects this Summer vacation so that it is a type of revision for her and an opportunity for students to learn from her teaching and so that she knows her teaching capability. She says that it is important to remember that there is always more to discover in oneself and that we should seize every opportunity that comes our way.
