

*Re: Dracula Episode 20: June 18—  
Turned his Mind*

*[Eerie music plays.]*

SEWARD

Dr. Seward's Diary. 18 June.—He has turned his mind now to spiders, and has got several very big fellows in a box. He keeps feeding them with his flies, and the number of the latter is becoming sensibly diminished, although he has used half his food in attracting more flies from outside to his room. Hm.
