

Register your child for the Southeast spelling bee!

Dear Southeast Parents/Guardians,

This year, we will use the Scripps National Spelling Bee's online testing platform for grades 3, 4 and 5, to hold our classroom spelling bees. The classroom bees will be via an online spelling and vocabulary test.

The first step to spelling bee participation for your child is registering for the online testing platform at this link: https://online-test.spellingbee.com.

I encourage you to watch this video tutorial that will walk you through the registration process: https://www.youtube.com/watch?v=0ThKRsffiFc

The deadline to register your child for the SCRIPPS online platform is November 15, 2024. The student from each classroom with the highest score will move on to compete at the school level. This year, our school-level competition will be administered as a traditional in person oral spelling bee. Our school champion will then move on to represent Southeast in the Mid Continent regional spelling bee.

If you have already registered in the online testing platform for another child, you can log in to your account and add an additional child to that same parent account. There is no need to register a different email address for each child in your household.

Please reach out to me at hartmanr@parkhill.k12.mo.us if you have any questions about our 2024-2025 Southeast spelling bee. I look forward to having your child compete to represent our school!

Sincerely,

Rachel Hartman

Southeast Spelling Bee Coordinator

Kindergarten Teacher
