

APS Options

We offer an Options program on two separate days in Aurora at New Life Community Church (17690 E Iliff Ave, just across the street from Rangeview High School).

Our Monday program is referred to as Iliff Options and our Friday program is New Life Options. Both programs have the same Coordinator and many of the same teachers, with a few differences in Middle School and High School class offerings. Additional details may be found on our websites.

You may view our Monday Iliff website [here](#).

You may view our Friday New Life website [here](#).

Please contact the site coordinator, Leda McDonald at 720-602-8547 or LMcDonald@aurorak12.org for more information or to begin the enrollment process.
