INSTRUCTIONS TO CANDIDATES:

-
1. Fill the information in the required space above
 2. Write your answers in blue or black ink/ball point pen and draw in pencil. Any descriptive work written in pencil will NOT be marked
 3. Write your answers accurately and clearly on both sides of the pages
 4. Leave two clear lines between the answer of one question and another
 5. Remember to write the number of each question you have attended on every page for that particular question
 6. Put tick against the number of the question you have attempted in the column of QUESTION CHOSEN
 7. Do all your rough work in this answer booklet and across it through
 8. Under no circumstance shall answer booklets, used or unused, be taken out of the Examination Room by a candidate or unauthorized person
 9. Assemble supplementary answer sheets and any loose sheets in the correct sequence and tie or staple them loosely but securely INSIDE the back cover of this answer booklet (or as instructed in the question paper), after you have ensured that you have inserted the information required on each loose sheet.
