

# Privacy Policy

Last Updated: 20.3.2025

I, Jozef Varga ("I", "my", or "me"), respect your privacy and do not collect, store, or share any personal data from users of my applications.

## 1. Data Collection

My applications do not collect or transmit any personal information. All game progress and settings are stored only on the user's device. If the app is deleted, all stored data will be lost.

## 2. Third-Party Services

My apps do not use third-party analytics, advertising, or data collection services.

## 3. Data Security

Since my applications do not collect or store any user data, there is no risk of unauthorized access, data breaches, or misuse.

## 4. User Rights

As I do not collect personal data, there is no need for data access, modification, or deletion requests.

## 5. Changes to This Privacy Policy

I may update this policy if necessary. Any changes will be reflected within the app or on my website.

## 6. Contact Information

If you have any questions about this Privacy Policy, contact me at: [varga.jozef@icloud.com](mailto:varga.jozef@icloud.com)
