

I'M FINALLY FREE THANKFULLY

June 23rd, 2024

On Saturday, June 22nd, 2024, after spending 30 minutes locked-up in a tiny Cell with the mean Rev. Leo Hughes I'm finally FREE and unscathed, it's a miracle to say the least. No bread or water, only Blue Lite, I know, I know, but what more can one say under the circumstances. And, the "Trumped-Up charges, can you believe it, I was flabbergasted?

Darrel O'Shaughnessy of the Arnprior & McNab/Braeside Men's Shed did knowingly cause himself and his clientele to inject solvents and sawdust in his workshop, thus causing delusions of grandeur viv a vis project results, contrary to the Wacky Waba Woodworking and Lumber Baron Act of the Province of Ontario. Can you believe that?

Anyway, on the positive side, the Arnprior Lions Club Jail or Bail Fundraiser was successful in every respect and the Arnprior & McNab/Braeside Men's Shed was delighted to participate to help raised Funds for a host of Lions Club Community Events.

And, its so delightful to be FREE again.
