

Advocate Challenge 2021 - Call For Action

8/18/2021

Helping Haiti, Together!

Here's how we can help earthquake victims! Please print this checklist, and challenge yourself to complete at least 3 of the following:

- Weekly E-News - forward to at least 10 people.
- Social Media - Repost/Share our post as often as possible
- Call your family/friends to let them know about updates at Water With Blessings
 - Or send them a postcard!

Yes, the suffering in Haiti is terrible. I'm sending my donations to Water With Blessings, because they've already put into place a plan to get filters to earthquake survivors.

- Talk to your church; call other parishes

Are we going to do anything to help in Haiti? If so, could we help through Water With Blessings?

- Reach out to your local denominational newspaper about doing an article on Water With Blessings. (Except for the Louisville Archdiocese -- that's already in the works!)
- Share links to local news stories, we will send out these links to you.
- Help us with calls to our known supporters.

Are you new to our Advocacy Blessings Program? Please contact Debbie@waterwithblessings.org to sign up as an Advocate for God's Thirsty Children.
