George J. Steck,

Congratulations on successfully completing the three-hour Interim EKP Instructor certification seminar on Friday, April 29, 2011 at SUNY—Cortland.

You have essentially completed your EKP Level One Instructor training. Once you have secured a teaching position, to be fully certified as an EKP Level One Instructor you must:

- 1) Complete the attached upgrade request application form and return it to the EKP Institute.
- 2) An EKP Associate will then contact you to schedule a short refresher session. (Please indicate the best way to contact you on the upgrade application)
- 3) Once the refresher session has been completed you will receive your official Level One Instructor's certification and materials (certificate, t-shirt, ID card, instructor's guide and grade specific curriculum) from the EKP Institute.
- 4) You are now ready to begin teaching EKP.

If you have any question please contact the EKP Institute by phone at (607) 748-5869 or by e-mail at institute@ekpinstitute.org.

Sincerely,

EKP Institute
