10:30-11:00	Questions?? Drop off Locker stuff?? Work on Locker Combinations??

We are trying to help our junior high students transition smoothly into sixth grade. Organization is crucial for this to happen. To help with organization, we are attaching a supply list for all of the classes. We have color-coded classes which should help your student stay organized throughout the school year.

At this session, you will get your schedules and find each classroom, meet your teachers, get your Chromebooks and paperwork (if possible), learn about your classes and other important information about middle school, and get your locker assignments. You may want to bring something along to take notes with as we will be going through a lot of important information.

Again, we look forward to meeting with you and your parents. Come and enjoy the kickoff to a **GREAT YEAR**.

Sincerely,

Newell E. Haffner
District Administrator/4K-5 Principal

Dr. Benjamin Heninger
6-12 Principal
