## A Holiday to Remember

Last summer, I traveled to Cartagena with my family. We booked a holiday package that included accommodation in a beautiful hotel near the beach. The itinerary was full of exciting activities: city tours, boat trips to nearby islands, and visits to historical landmarks.

One morning, our tour guide told us we would visit the old city. I was excited because I had read about the colonial architecture. Unfortunately, our flight back home was delayed due to bad weather. Still, it was an unforgettable experience. I bought some souvenirs for my friends and took lots of pictures to remember the trip.
