V. Questions/Concerns

-
- I. Arrival and dismissal running well and smoothly. There is an increase in the number of walkers. Shearn St is now our focus to increase safety protocols. Parents are supporting through Parents Patrol.
 - II. 100% staffed. We secured a person for the SLC room. Still looking for a nurse, please let us know if you know someone who might be interested.
 - III.
 - A. We had an increase in enrollment. Brought clever Touches and we now have students one-to-one on technology.
 - B. Interior upgrades: with PTO and HISD vendor we are working to remodel our restrooms
 - IV. Crockett has been selected as an NES School. Admin ready to roll with the new model. Our enrollment has increased, partially for our zoned families as well as transfers. NES will help us closing the gaps and will impact us in good aspects. Teacher observations will be more frequent and break down in small pieces. Two new things: teacher apprentices 1:100 ratio (support classes with high capacity and, learning coaches, 7 based on our actual enrollment. Other areas of impact:
 - A. excellent teaching
 - B. Instructional day
 - C. Global experiences
 - D. Academic resources
 - E. Act of thinking
 - F. International opportunities
 - G. Our mission and vision will remain the same
 - V.

- A. Is dyad replacing specialty classes ? No, it will be in addition to.
- B. What will happen with the library? We will intend to save that space. We will try to use another space
