

California State University, Fresno
Educational Leadership and Administration Program

District Cohort Partnership
Fresno State Preliminary Administrative Services Preparation Program
and
Sanger Unified School District

Memorandum of Understanding

Fresno State's Preliminary Administrative Services Preparation Program faculty and the administration of the Sanger Unified School District are committed to providing appropriate guidance, assistance, and feedback for a Fresno State and Sanger Unified partnership beginning in Spring 2022.

Fresno State P12 Ed Admin Program Agreements & Responsibilities:

Host Sanger recruitment meetings - answer specific questions (district office and/or virtual opportunities)

Sanger partnership specific recruitment efforts (flyer, social media, aligned with Sanger mission)

Roster of cohort members available to district office leadership

Syllabus and/or other fieldwork opportunities shared with district leadership per request

Provide opportunities for Sanger unified leadership to participate with the cohort (guest speaking, panels, research projects)

Ongoing communication structures for cohort student progress in place with district leadership

Adjust in person requirement to virtual for the partnership if pandemic in-person requirements change

Sanger Unified School District Agreements & Responsibilities:

3 semester commitment to the partnership (Spring 2022, Fall 2022, Spring 2023)

Provide a space 1 night a week - board room (other room made available if conflict) use

Custodian support and/or district designee (i.e., student in the program designated with a key to facilities)

Wifi available for faculty, students and staff (i.e., guest access for non-SUSD specific students)

Superintendent onboarding and other opportunities to engage with cohort

Sanger district leadership guest speakers (1-2 per semester)

Support with recruitment at the district level

Minimum of 15 participants to establish a cohort (majority from Sanger Unified)

Sanger district approved research opportunities available (i.e., fieldwork support, projects, thesis etc.)
