

Managing Communication Skills Session 1

<p>Producer: Prework</p>	<ul style="list-style-type: none"> ● When the facilitator shares the screen for the slide and during group activities starting on Slide 9, you will need to use timers and calm music. Directions to monitor chat for specific activities are included for appropriate slides. Click here for a popular timer website. Click here for examples of calm, stress-free playlists. DO NOT use YouTube for copyright reasons; these playlists are just examples. You can plug your cell phone into the computer if you have specific music from apps like Spotify. ● There are 3 breakout room activities scheduled for this session on Slide 9 (page 6 of this guide), Slide 15 (page 8 of this guide), and Slide 19 (page 10 of this guide). ● The first breakout room activity – Slide 9, pg. 6 involves 6 different breakout rooms for 5 minutes, then sending participants to a different room for another 5 minutes (a total of 10 minutes for breakout rooms activity). This allows different groups of participants to obtain new “answers.” ● The second breakout room activity – Slide 15, pg. 8 involves participants STAYING in one breakout room for 5 minutes. ● The third breakout room activity – Slide 19, pg. 10 involves participants STAYING in one breakout room for 5 minutes. <hr/> <ul style="list-style-type: none"> ● 1 day before or less, use the webinar software to email registered participants prior to the beginning of the workshop with a reminder of the event day/time and include a copy of the facilitator guide. Review the PowerPoint file associated with this training and ensure all the slides and animations work as described in this facilitator guide. ● Prior to the start of the session: <ul style="list-style-type: none"> ○ Screenshare this PowerPoint ● Make sure the following Zoom settings are enabled: use participant waiting room, mute upon entry, make facilitator the cohost, and breakout rooms are premade. ● Double-check the Kahoots and survey links to make sure they work.
-------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

<p>Facilitator PreWork:</p>	<ul style="list-style-type: none"> ● This guide was developed for the purpose of delivering this course via Zoom, but it can also be used for classroom training with the following considerations: <ul style="list-style-type: none"> ○ Breakout room activities will need to be adapted to fit the classroom environment. ○ Questions will be made directly to learners, rather than by using Zoom response tools. <hr/> <ul style="list-style-type: none"> ● The Introduction activity begins on slide 5. Participants will be typing a response in the chat. Give participants 23 minutes to respond. ● ASK participants “What does it mean to communicate? What are the different ways that we communicate?” ● SAY: Type in your answer.

Please share your experiences or any key takeaways from the exercise in the chat or feel free to come off mute.</p>	<p>DO:</p> <ul style="list-style-type: none"> - Look at the chat for common/most popular responses. - Be prepared to present the responses to the facilitator at the end of 2 mins. <p>[ADVANCE SLIDE]</p>

Managing Communication Skills Session 1

21 (3-4 mins)

SAY:

As we wrap up this session on mastering effective communication skills, let's recap some key takeaways:

1. Effective communication involves the sender, message, channel, receiver, and feedback.
2. Verbal communication requires clarity, conciseness, and active listening.
3. Nonverbal communication, including body language can impact the way messages are conveyed.

Effective communication is a lifelong learning process, and consistent practice and application of the key takeaways will lead to continual improvement in mastering communication skills.

ASK:

What questions do you have?

(Continue until questions are answered or time is up.)

DO:

- Look at the chat for any unanswered questions.
