***Also check for scholarships you may be eligible for directly *through your college*. These **institutional scholarships** are often overlooked. Talk to the financial aid office to see if there are supplemental forms or essays needed to be considered for these scholarships.

College Applications: Mid-year reports have been sent through the Common App.
Please check with your colleges to ensure that all necessary documents have been submitted. If you did NOT use the Common App and need a mid-year transcript sent, it is your responsibility to let your counselor know.

We'd love to hear about your admissions decisions - please email or come by the counseling center to share your plans with us!
