

Privacy Policy for Walmart Product Spy & Scraper :

1. Information We Collect

Our extension extracts public e-commerce data (like product names, prices, and images) directly from the webpage's DOM. We do NOT collect, store, or transmit any personal user data, browsing history, or sensitive information.

2. How We Use Information

The extracted data is only stored locally on your computer and is used solely to generate your downloaded files (CSV, Excel, JSON).

3. Third-Party Services

We do not share your information with any third-party services. All scraping processes happen locally on your browser.

4. Changes to This Policy

We may update this privacy policy from time to time. Any changes will be posted here.
