

Name: _____

Overall Grade: _____ / 20

Criteria	D-F (13 & below)	C (14-15)	B (16-17)	A (18-20)	Feedback
Verbal Cues The speaker uses a strong voice, demonstrating enthusiasm for the speech topic. The speaker also enhances meaning through his/her enunciation, inflection, cadence, and volume. The speaker's diction reflects the monologue's tone.					
Non-Verbal Cues The speaker maintains consistent eye contact with the audience. The speaker also demonstrates professional body language, such as posture, movement, and gestures.					
Preparation The speaker stays within the time limit (no shorter than 50 seconds, no longer than 70 seconds). The speaker has clearly practiced the monologue (though memorization is not required).					
Content The speech has an attention-grabbing opening and has planned the content of the performance; at least one piece of the monologue is performed. The speaker may also talk about his/her character and the process of creating this monologue. The speaker has established a compelling connection to the character being portrayed.					
Media The media is used minimally, never taking over the presentation but simply accenting important points. For this presentation, media does not need be used at all.
