

Our Village Our Plan

Clavering Parish Council has resolved to write a Neighbourhood Plan

This is intended to give our community a greater say in the future of their neighbourhood and a means by which they may influence development.

We need to know how you feel about the village and future development to write this plan, and your support to make it happen.

If there is no support for writing the plan, then UDC will decide where the homes will be placed, and the community will have no voice.

Please help us form the Neighbourhood Plan's visions, objectives and aims.

If you did not attend the initial consultations nor complete the initial survey, please seriously consider filling out this survey to give us a complete view from the Parish.

For those who completed the initial survey there is no need to complete sections 1 and 5.

Information on Neighbourhood Plans and Clavering's proposed Plan can be found on our website:

www.claveringnp.co.uk
