Am F  
I feel like I've been here once before  
D Am  
You threw my bags out through the door and in the road  
Am F  
I came home to find them on the floor  
D Am  
and as the rain began to pour I got cold  
C Am  
and I tried to compromise  
D7  
But you keep tellin' all these lies  
F G  
Now i don't get to say my last goodbyes  
C Am  
Goodbye to you've been wastin' all my time  
D7  
You're no longer mine, now you've left me  
F G C  
I can't seem to get you off my mind  
E Am G# A# C  
that's when i realised you had me hypnoti-i-ised  
Am F  
Why am i now living on my own  
D Am  
She keeps inviting people home all the time  
Am F  
Why am i still paying for phone  
D Am  
When all the luxuries she owns should be mine  
C Am  
Now i start to wonder why  
D7  
you shrug me off when i say 'hi'  
F G  
Treatin' me so bad despite how hard i try

C Am
