

Remind

1. Download app (**Create an account**)
2. Type in the email and phone number you provided the school
3. Create a password
4. Click account settings, search for organizations (**Cheraw School District**), add schools (**Cheraw Elementary, Cheraw Middle School, Cheraw High School**) which school pertains to your student/students

*Once you have joined the app you can click add class (**top left corner**), Tap +Join a class (**located under the Joined section**).

- If you don't have the class code, you can click Search for the class instead.
- Your student/students teacher will provide their class code
- Tap the **(+)** button to join a class.
- The class will appear on your Joined list, and you'll automatically get app notifications.
