

SHOES!

Lower School students may now wear **plain white or plain navy tennis shoes** with their school uniform. This change helps to minimize the time spent changing into P.E. shoes, increases student comfort, and eliminates one required pair of shoes to be brought to school. The dress code is an important part of being a DCDS student! With this exciting change comes some guidelines and expectations to keep the integrity of our school uniform. Specifically:

- Plain white or navy tennis shoes are the only shoes that are in compliance with the school uniform. Please avoid any other colors.
- Low-top tennis shoes are required. High tops or platforms are not allowed.
- Please avoid light-up or wheeled shoes.
- Soles must be light-colored.
