# Houlton Staff Online Learning Hours

**REMINDER FOR FAMILIES:** Staff office hours are posted on the Houlton website (and below). This is a time when teachers are available for emails or phone calls with your questions, check ins, or 1:1 help with student instruction. Teachers will continue to be working their normal hours, 8:00-4:00, so communication after 4:00 will be addressed the following day. Please reach out if you need support!
