Sick April Tech Rider

UPDATED: 04-19-2025

<u>IMPORTANT</u>

<u>NO SMOKE MACHINES</u>: Summer is allergic to the smoke machine and can not perform at her best with it.

IEM SETUP

Sick April will mic all their own instruments and provide a split for the front of house. FOH will receive an unaltered signal, before any gain, or effects.

Sick April will mix their own in ear monitors. Floor monitors are not required but beneficial in case of emergency.

Input List

1. Overhead (Mono)
2. Kick
3. Snare
4. Tom 1
5. Tom 2
6. Guitar
7. Bass
8. Vocals
9. Backing Tracks

The split snake that is given to the FOH will be labeled with the appropriate instrument.
