Double Casting

The show is double cast. This means that there are two students per leading role. Each student will perform one night as their leading role and the other as their ensemble role with their class. All students perform in BOTH shows. Students will receive which night they will perform on Wednesday, Nov 29th.

Off Book/ Rehearsal Materials

"Off book" is what we call being completely memorized. Cast members should be off book, meaning all lines in scenes and songs memorized, by **Wednesday, January 3rd**. For all music, please visit the music website **https://sites.google.com/view/restheatre/4th-grade**
