HI all,

Please see the below spots that need filling and let me know (volunteer@diezvista.com) if you can help and which position. This list will be updated fairly regularly over the next few days as people drop out and spots are filled, so if there's nothing you can do, come back later there may be something new 😊

Thanks!!

Friday positions

- Flagging/course marking. 3-4 people Details will be assigned a few days before the race but its usually meet 8am (buntzen or sasamat) and flag for 5-6 hours. Excellent knowledge of the race route is needed because you'll be marking it.
