Title: Greta and the Giants

Author: Zoe Tucker

Global Competence: Assess the options and consider the potential impact of planned actions.

Greta is a little girl who lives in a beautiful forest threatened by Giants. When the Giants first came to the forest, they chopped down trees to make houses. Then they chopped down more trees and made even bigger homes. The houses grew into towns and the towns grew into cities, until now there is hardly any forest left. Greta knows she has to help the animals who live in the forest, but how? Luckily, Greta has an idea...

Bag Contents:

- Notebook
- Pencil

Directions:

- With an adult in your home, read the book or watch the read aloud.
- Open the notebook to the next blank page.
- Write your name and the date on the top.

Greta learned that by using her voice she can make a difference! Once she held her sign up others joined in so the giants listened and learned.

Use the journal page so design the sign you would make to stand with Greta!

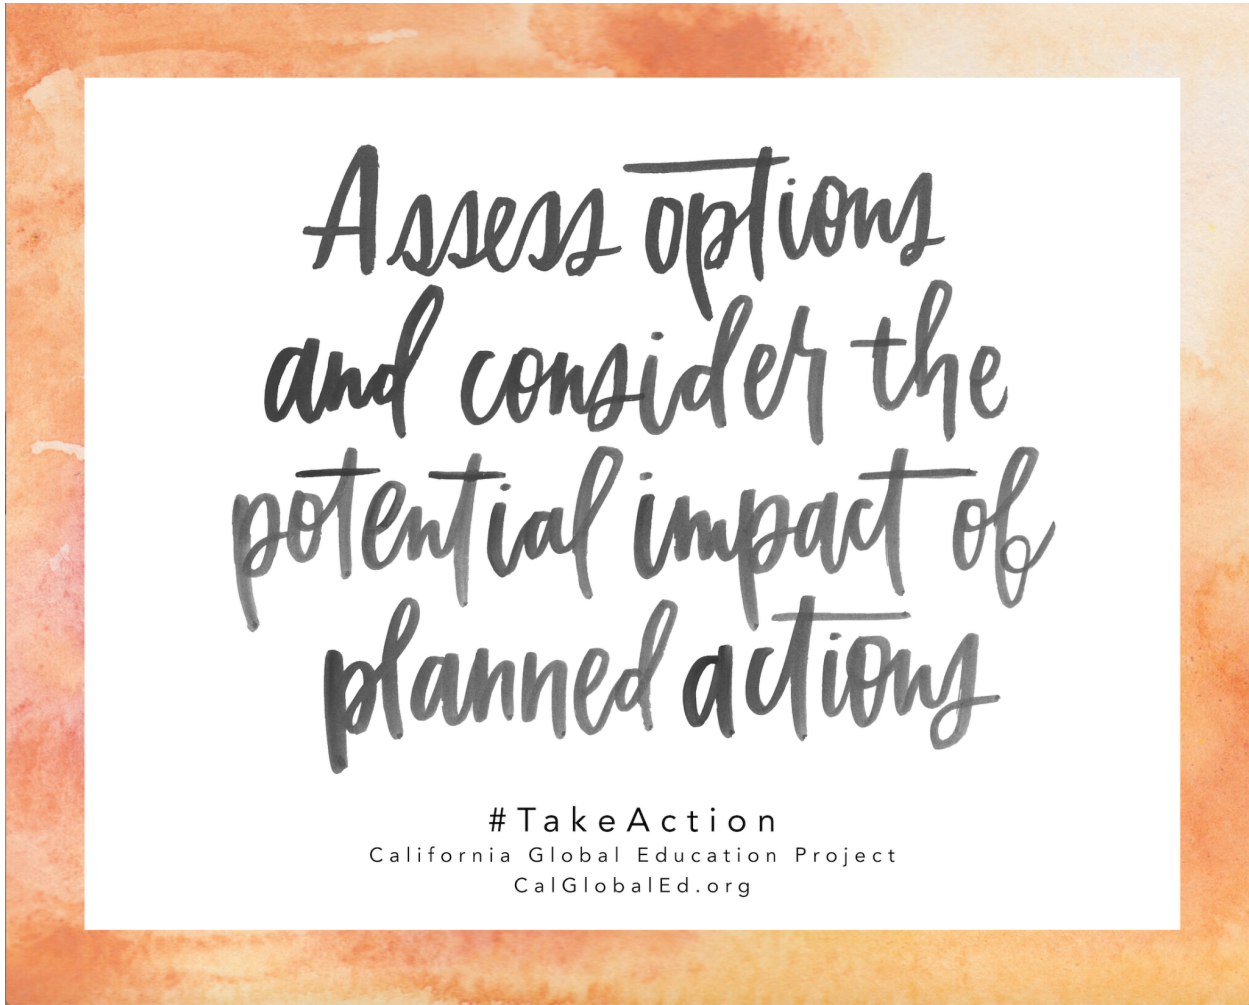

If you were to make a sign to stand with Greta so the giants listened, what would it look like? Would it have words on it, a picture, or both? Design your sign on the journal so your classmates can see it!
