MOORE COUNTY SCHOOLS

ENGAGE • INSPIRE • SUCCEED

The North Carolina Department of Public Instruction has transitioned to a new Student Information System, Infinite Campus. This new platform offers an enhanced feature, allowing parents to view student grades, pay fees, update contact information, and more. We encourage you to follow the instructions below to create your parent portal account. If you encounter any difficulties, assistance will be available at school sites. More information can be found on the Getting Started with Campus Parent page (https://bit.ly/3YOpx49) provided by Infinite Campus or any one of the Moore County School's websites under Parents > Parent Portal.

To create your Parent Portal Account:

1. Download the Campus Parent app or go to https://bit.ly/MCSParentPortal

If you have multiple students in the district, this portal will link you to all of your children.

If you have any questions, please contact your school office for assistance.

Thank you,
Moore County Schools
