

Good evening, Lake Forest High School families! We hope you had a wonderful weekend. Please continue with this message for our weekly announcements.

Next week continues Unit Count. This is an annual process required by the Department of Education that requires all schools to scrutinize attendance, as it is attached to school funding. We encourage all students to attend school every day and ask that if you must be absent, you follow the procedure of submitting an absence note, preferably by a doctor, to the attendance office within 48 hours of the absence. Notes may also be sent to the attendance email.
