HOMEOWNER,

I understand that you're facing a difficult decision after inheriting a property from a loved one, and you should take all the time you need to decide on a next course of action.

No one wants the added stress of a real estate sale after losing a loved one. But if you do decide that you want to sell, I want to make sure your experience is as stress-free as possible.

I'd love to sit down and talk with you about the plan I've come up with to help you sell your new home. I can help you navigate everything from legal and family issues to home renovations.

Will you take a leap of faith with me?
