RE: Request for Donation for Winter Festival Community Market Fundraiser

Dear Potential Donor:

On behalf of the students, families, and staff at the Boulder Community School of Integrated Studies (BCSIS), I am requesting a donation of an item, gift certificate, service, or cash for our **14th Annual Winter Festival Community Market and Talent Show** taking place on Sunday, December 2, 2018. Funds from this community event enable us to reach our annual budget requirements. This year our funding goal for this event is \$15,000.

BCSIS is a public elementary school in the Boulder Valley School District that integrates the arts into a rich academic curriculum. Please visit our website at <http://schools.bvdsd.org/bcsis> to learn more about our exciting community. All proceeds from our fundraiser will directly contribute to the learning environment. In recent years, the success of our Winter Festival allowed us to maintain our staff for the school year despite large district-wide budget cuts that would have resulted in positions being eliminated. We were also able to contribute to the improvement of our outdoor space: an outdoor classroom, a mosaic sundial, and a garden for our expanding Garden to Table program. Other programs such as the Artist-in-Residence and the First Friday artistic performances have been strengthened as well. This type of success cannot be realized without the generosity of donors like you.

Friends of BCSIS is a 501(c)3 non-profit meaning that donations are tax deductible to the extent allowed by law. For your records, our **Federal Tax ID is #84-1542618**.

We need to receive all donations by **Monday, November 26, 2018**. A donation form is attached to collect all the pertinent information about your donation. Please fully describe your product or service so that we may effectively market your donation. Your contribution directly helps us to provide a wonderfully robust and supportive learning environment for our children, teachers, and staff. We thank you!

Sincerely,

BCSIS Parent Volunteer
