

Welcome to Google Classroom. You will find some helpful information and videos explaining the student side of google classroom.

The Student Side:

- A helpful video showing what a student will see on their end:
<https://youtu.be/N3YcNVWEAtQ>
- Student dash board, where all their google classrooms are organized

②

- Inside any of their classrooms students can
 - See a chronological order of all announcements/assignments on the **STREAM** tab
 - See organized assignments on the **CLASSWORK** tab
 - See who their teacher is and other students are on the **PEOPLE** tab
 - Access this classrooms work through the **UPCOMING** sidebar on the Stream tab or through **VIEW YOUR WORK** on the Classwork tab
 - Access their google calendar, where assignments will automatically be populated if there is a due date
 - Access their class drive folder
 - Email their teacher or add private comments to their teacher

- The Stream

Test Classroom

Stream Classwork People

On this page students can:

- + see recent posts
- + see their upcoming work
- + view their work

What's your gamer style?

MISC

On the classwork page students can:

- + access their google calendar and class drive folder
- + search for assignments based on topics
- + View their work for this class

- People

The parent side:

- A helpful video explaining the guardian summaries: [Ryan's Tech Tips](#)
- Parents will get summaries through email
 - Can choose weekly (sent on Friday) or Daily
 - You can review
 - Missing work
 - Upcoming work
 - Class activities (announcements, questions, assignments)
 - Grades will not be shared through classroom - ask your student or teacher
 - Only will send if there is new activity in that classroom
