## ? Who You Are Now vs Who You Want to Be ?

- Now:
  - Adham a 15 year old man living in egypt in an house that has ugly drawings drawn in each wall, with broken yellow lights, and old broken wooden furniture, feeling broke and hopeless, he is studying in high school as a slave for the system who is forced to study random BS and is perceived as a student (slave) by everyone and surrounded by weak minded slaves feeling controlled, slaved, conquered, his body is weak feeling weak, he is broke, he doesnt have food feeling hungry, he is ugly, bad haircut with pimples across all of his face with braces in his yellow unstructured teeth feeling like a geek, he is lonely, with a neck hump and arched lower back, he daydreams a lot throughout the day feeling undisciplined , he is nothing (hasn't achieved anything yet) AVERAGE feeling worthless, everyones says he will fail feeling hated.
- Who You Want to Be:
  - Lord Empirus, a man in a tall circle shaped glass tower combined with 4 circled shaped shorter glass towers at each side of the main tower topped with a circled shaped object and between each glass of the tower, with 4 quarter circle corner circles at the edges of each tower, with 4 similar shorter towers next to each attached tower and 4 similar looking towers in the corner between the side towers, with a decreased back ground at the end of the before the middle tower and an elevator door with a long decreasing cylinders at the circle of the middle/main tower ,standing at the top widnow of the tower in his office/ bedroom infront Of the tower's window, he is wearing leather black shoes, gray pants, gray closed business suit with a white

shirt and a black neck tie, he has a rolex 1908 attached to his wrist, his muscles are visible through the suit, he has a neatly styled crew cut with a boxed beard wearing terminator sunglasses with a furious look in his face, he is the emperor of a great empire, an business organization of jacked, furious, professional gangsters all focused together on becoming the most powerful business organization in the planet, that man is focused on becoming the stronger most powerful man in the planet , that man is connected with god, feels presence of god next to him giving him confidence, feels grounded while praying, feeling grateful for what he have, that man is calm even under the most pressures situations stays non-reactive, with straight neck posture, that man is a great leader his eye contact is intimidating, his body language is open, deliberate, his voice is deep and commanding, that man is a terminator who performs endless raw action

### 🔥 Your Reason Why 🔥

- To get my mother to a chiropractor and fix her back so she can move freely again without feeling torturing pain and that she can go to the gym, lose her weight and get physically fit and join my empire .
- To replace my fathers kidney with a fixed kidney so he is able to go to the gym and become a jacked tough minded father, and so that he stays alive and join my empire
- To get My family out of egypt into dubai before israel comes and harm any of us
- To become the most powerful man on the planet.

The strongest man in which his body is jacked, rounded huge shoulders, huge muscular biceps and triceps, muscular forearms, with a big hands, wide and rounded chest, tremendous abs, shredded back, big muscular quads and legs, each one of these muscle is veined out to the max, his body is made out of iron, that when enemies throws punches at his body, the enemies hands bleed with his body showing no effect , feeling indestructible

The fastest man who runs like a horse jump running with each feet hitting the ground from one another to the other relentlessly towards his enemies feeling his blood moving fast in his body

The most dangerous man who attacks like a bear, throws speed tough continued punches towards his enemies faces delivering the impact of a sledge hammer causing their faces to explode blood, feeling dangerous

Dodges relentlessly quick, crouching down, jumping up, weaving left and right, blocking with his arms, feeling untouchable

The intelligent man that sits at the chess table looking at the pieces processing his next moves quickly like a computer, as he evaluates his goal, situation, explores all moves, decides and moves the piece restlessly and continues going through the process repeatedly until he conquers his enemy.

A competitive man who wants it so bad, feeling fire going through his veins, with his eyes burning in blue fire, his veins shining in blue fire, his body has smoke coming out it feeling furious

A deep voiced man that when he talks it sounds like if you're hearing the king giving orders feeling powerful

A master of persuasion who says words that generates action, as the businesses becomes millionaire, and the target market gets what they want, who business walk to him and partners only with the hardest working businesses, controlling persuasion across the planet, inspiring people across the planet to get what they want

A man who leads weak men into becoming strong men

The emperor of his empire in which consists of a group of men leading them into becoming the most powerful men in the planet

a man who generates billions of dollars a year listed as one of the top billionaire in the planet feeling successful

a man who walks down the street with every body staring at him demanding high levels of respect and admiration to him feeling like the king walking through his kingdom people

He sits at his gray chair with his legs wide opened, his arm settled on the handles, shirtless, wearing terminator sunglasses, with piles of money stacked around him, and a computer screen with a picture of the world colored in red, and checked mark "conquered" next to it, with the title "persuasion" feeling like the most powerful man in the planet, the owner of persuasion, the most successful man

- To make my creator,allah, who gave me everything proud

---

## G Work Checklist

- Set a binary, tangible goal
  - Pick an attitude
  - Hydrate, Caffeinate, Get the blood flowing
  - Remove distractions
  - Set a challenging timer and try to beat it
  - Get started
  - Evaluate afterwards
- 

## Day - 10/30

### GWS Reflection:

What tasks/objectives did I demolish?

- Analyzed how many posts does the top player post per time
- Created a weekly schedule plan
- Analyzed 2 posts from the top player

Problems/mistakes encountered?

- The document was overwhelming that I couldn't focus on the session so I daydreamed while doing the work to avoid the mental strain
- The instructions were unclear that I got confused and daydreamed during the work

Solutions to each mistake/problem?

- Just delete the entire document and fill it out again quickly
- Set clearer instruction (done)

- Look for a top player that gets high engagement with their posts
- 

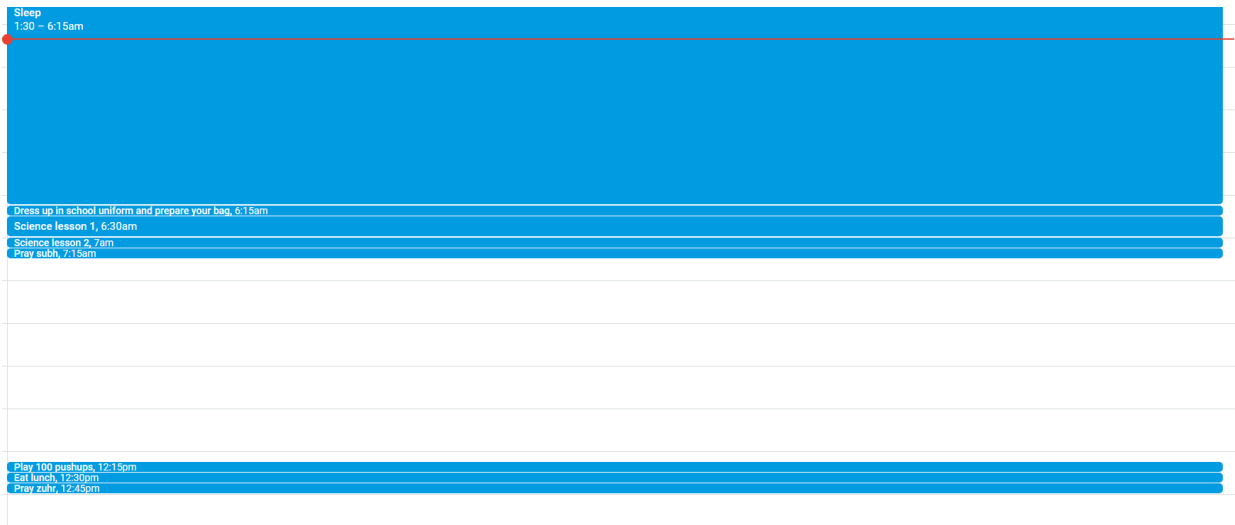

## End day review:

Overall problems/mistakes throughout the day?

- Couldn't focus while watching the philosophy lesson before the exam in bus because I lacked mental discipline to cope with distraction around me
- Sought validation from my crush as one of my friends once again pretended to be shooting with the a shotgun, I pretended to throw a grenade a dying from the shotgun, than I looked at her, laughed out loud while blushing, seeking validation
- I did stare at the girls and then looked away but I did manage to do a sin
- I daydreamed sometimes throughout the day

Solutions to each mistake/problem?

- Get headphone and just lock your eyes to the screen and stay focused even when it is hard
- DO NOT LOOK AT GIRLS
- RAW ACTION: work hard as quickly as efficiently as possible
