

Farmington Public Schools is hosting final Strategic Planning Community Input Session

Farmington, MI – Farmington Public Schools (FPS) is hosting its final Community Session as an opportunity for public input in the FPS Strategic Planning Process. This school year, FPS will be wrapping up its three-year strategic plan and we would like your input on the next phase of the process.

Ms. Laura Hilger, Director of Teaching and Learning with KnowledgeWorks, will be facilitating the process; building on the work that has been completed over the past few years. KnowledgeWorks has been instrumental in the development of our FPS Profile of a Lifelong Learner and refreshing our Mission and Vision statements.

We hope that you can join us for the final community session listed below:

- **Monday, May 8th – 6:00 pm - 7:30 pm (In Person–East Middle School LGI Room)**

Interested in joining the input session? Please complete this [Google Form](#).

Please feel free to reach out to Dr. Kelly Coffin, Assistant Superintendent for Innovation and Strategic Initiative at Kelly.Coffin@fpsk12.net if you have any questions or would like additional information.

Thank you for your interest and continued support of the FPS Strategic Planning Process. We hope to see you there!
