

We realize the importance of a player's education and strive to accommodate the academic calendar as much as possible when planning and scheduling our yearly structure. The LouCity/Racing Academy College Showcases begin on a Friday and will require the participating student-athletes to miss that day from school. Some students may be required to travel on Thursday and will need to miss that day as well.

Players participating in our showcase are exposed to one of the largest concentrations of college coaches in the region. Our showcase attracts over 50 college coaches exposing the competing players to more options for their college choices.

Our soccer program places a strong emphasis on both academic excellence and athletic achievement, and we believe that events like the LouCity/Racing Academy College Showcase contribute significantly to the overall development of student-athletes. The exposure gained at such events can open doors to educational and athletic opportunities that will benefit them in the long run.

We hope you will understand and excuse your student-athlete from school on the dates affected by the LouCity/Racing Academy College Showcase. Below are the dates of the Girls and Boys College Showcases:

- Racing Academy College Showcase – February 6-8, 2026 (Louisville, KY)
- LouCity Academy College Showcase – February 20-22, 2026 (Louisville, KY)
