Dear Editor and Reviewers,

We sincerely thank the Editor and the reviewers for their careful evaluation of our manuscript and for the constructive comments and suggestions. We have considered each comment carefully and revised the manuscript accordingly. Our point-by-point responses and a summary of the corresponding revisions are provided below. All changes should be identified in the revised manuscript, and the page, section, and line numbers indicated in the final column should correspond to the revised version.

AUTHOR GUIDANCE Copy each reviewer comment verbatim. Provide a separate response and revision for every comment. Add or duplicate table rows as needed. If no change is made, explain the reason clearly. Use page and line numbers from the revised manuscript.
