

InsectaBio Travel Award Announcement 2023

InsectaBio is excited to announce three travel awards for students planning to present a talk or poster at the Entomological Society of America 2023 meeting in National Harbor, MD!

We will be awarding one PhD student (\$500), one Master's level student (\$300), and one undergraduate student (\$200). International students are welcome to apply.

Travel Award Eligibility and Conditions

1. Must be a student at time of application.
2. Must submit an abstract either as a presenter.
3. [Complete and submit the Google Form.](#)
4. Provide proof of abstract acceptance once available. Email to info@insectabio.com.
5. Include InsectaBio's logo in their presentation or poster acknowledgements.

Applications for the travel award are due by September 1st, 2023.

Winners will be announced by the first week of October. Awards will be given out at the Entomology meeting. Winners will receive an email with additional details.
