

## **Southeast Division**

### **Orlando Magic**

PG- **Anfernee Hardaway**

SG- **Tracy McGrady** - back when he was leading the league in scoring and people wondered if he was better than Kobe.

PF- **Terry Catledge**- never heard of him? He averaged 19 a game in 1990.

C- **Dwight Howard**

G-**Daryl Armstrong**

F-**Hedo Turkoglu** - back when he was most improved player and helped lead the Magic to the Finals

F- **Bo Outlaw**- sans goggles, unfortunately.

G- **Dennis Scott** best three point shooter in franchise history

\*Bonus free agent\* **Rookie Shaq**

### **Miami Heat**

PG- **Dwayne Wade** – he'll have to play out of position slightly because Hardaway is on Warriors  
SG- **Steve Smith** – in '95 he averaged 20 in 25 games for the Heat before going to Atlanta. Had more productive years for the Hawks but the Heat really need him since all their best talent is elsewhere.

SF-**Lamar Odom**—put up the best stats of his career in his short stint in Miami. LA is absolutely loaded and he would rarely play for the Lakers.

PF- **Udonis Haslem**- in '08 he averaged 12 and 9

C- **Rony Seikaly** – with the Heat's two best centers on other teams, he's not a bad third choice- 17 and 11 in '93.

F- **James Posey**- again, short stint, but was a memorable contributor

### **Atlanta Hawks**

PG- **Lenny Wilkins**

SG- **Joe Johnson**

SF- **'Nique**

PF- **Bob Petit** - one of the greatest ever at his position. As Bill Simmons pointed out, he looks like a shop teacher.

F- **Josh Smith**- great defender

F/C- **Kevin Willis**- adds great rebounding

G- **Spud Webb**- a spark plug off the bench

G- **Mookie Blaylock**

G- **Doc Rivers**  
F/C- **Al Horford**

### **Charlotte Bobcats**

Because they are such a young franchise, they will be a doormat team. They get Raymond Felton, young Omeka Okafor, and rookie Adam Morrison.

### **Washington Wizards**

PG- **John Wall**

SG- **Gilbert Arenas**

SF- **Caron Butler** - averaged 20 ppg and was an all star in '08

PF- **Elvin Hayes** - the Big E is the Wizards all team leading scorer

C- **Wes Unseld**

C- **Walt Bellamy**- was an absolute force his rookie season

## **Western Conference**

Northwest Division

### **Seattle SuperSonics**

PG- **Gary Payton**

SG- **Ray Allen**- good as a Buck, but his best seasons were in Seattle

SF- **Kevin Durant**

PF- **Shawn Kemp** - he's a big reason why they're one of the funnest teams to play as

C- **Jack Sikma**

G- **Russell Westbrook**

F- **Spencer Haywood**

F- **Rashard Lewis** - best years were as a Sonic, not in Orlando

F- **Xavier McDaniel**

G- **Hersey Hawkins** - best years where in Philly, but they don't need him

F- **Jeff Green**

If time permits I'll add:

G- **Slick Watts**

G- **Downtown Fred Brown**

PG- **John Stockton**

SG- **Pete Maravich**

G- **Deron Williams**

F- **Andrei Kirilenko**

F- **Carlos Boozer**

G- **Jeff Hornacek**

F- **Paul Millsap**

F- **Byron Russell** - if only offensive fouls were called in late game situations ...

If time permits - **Darrell Griffith** - Dr. Dunkenstein

### **Denver Nuggets**

PG- **Fat Lever** - Rondo before Rondo

SG- **David Thompson** - Skywalker was great before the drugs started to take their toll

SF- **Alex English**

PF- **Carmelo Anthony**

C- **Dan Issel**

F- **Antonio McDyess**

F- **Kiki Vandeweghe** - lethal scorer who provides little defense, (sounds like a theme on this team, huh?)

C/F- **Nene**

G- **J.R. Smith**

G- **Nick Van Exel**- had career year in 2000

### **Portland Trailblazers**

PG- **Rod Strickland** - '96 version

SG- **Brandon Roy**

G- **Terry Porter**

C- **Arvydas Sabonis**

F- **Jerome Kersey**

F- **Clifford Robinson**- '94 version

If time:

Geoff Petrie

Jim Paxson

PG- **Stephon Marbury**- he goes here because he's not needed as badly in Jersey or Phoenix
