Trego ART - WEEK 4/6-4/9 Assignments

It looks like a lot, but it's really not!(No School on Good Friday)

☐ **Organize a main work area for school.** Keep your chromebook or PC, supplies, books, in one area. This helps with focus, lessens distractions, and so you don't lose things. We replaced our dining table with Annika's new homeschool desk area. Ask your family before you change things!

☐ Make a schedule chart using www.canva.com for all your weekly assignments and due dates. Search for "weekly planner templates". You can download to google drive when you're done. You'll need an editing program like www.dochub.com to type on the chart or you can print/write if you have a printer. If you're only using google calendar, that's fine, let me know that. Here's an example:
https://docs.google.com/document/d/1HDN7HbCmRHC3UGvbUcRJ67aHYFTfIjiJNBz-9FA1Q9o/edit?usp=sharing

☐ **Go to https://sites.google.com/tregoeagles.com/trego-eagles-art/home. We will no longer be using or posting on the blog page. Email me all photos of projects to: ldietz@tregoeagles.com (with your phone is fine)**

*All TJH/TCHS Art and Graphic Design students are to post or email me by 4:00pm April 10, 2020. I will keep track of weekly assignments you have done. (whether it's one of these or all 👍)

Examples of fulfilling this assignment:

- Watch 2020 TCHS Art Show (tab at top of site) and post which is your favorite.
- Do ANY visual arts related activity: tell me about it in a post or email, or email or text me a photo/video and let me know if I can post it(I will not unless you ok it).
- Send me a link to a video of an art related project you have done or would like to do.
- If you have any technical difficulties with this week's assignments, email ldietz@tregoeagles.com. If something doesn't work, take a deep breath, STAY CALM, and try again or report. Experiment, have fun and good luck with all your classes!
