Additional Information

1. Game of Toppers is aiming for a revolution in the way students learn and grasp knowledge. We are aiming for 100% memory guarantee for our students through scientific memory techniques.
2. A dedicated content creator will be available to every teacher for every subject who will apply the techniques on the material and create smart notes.
3. The teacher's job is to guide the content creator regarding the sources to be used in content building, making sure the content has substance, depth and relevance. The teacher is required to be intensively involved in the note-making process since delivery will happen through the teacher, however the teacher is not required to make notes himself.

4. All teachers will undergo a 7 day training programme - in GOT's Memory Mastery Techniques. Teachers can also provide inputs in building memory hacks to the content creators. Teachers are expected to know the hacks well.

Learning Principles of Game of Toppers

1. Happiness : We want to create a happy institute and happy students. This can happen only when the mentor community is happy and positive. We expect our mentors to have a highly positive attitude towards life.
2. Sacred : Education is sacred. Classes will start with Saraswati Vandana. As an institute we are deeply rooted in Indian traditions and would like to keep the culture thriving.
3. Scientific : With intensive scientific research in learning techniques, we would be applying them to all of our material to give 100% Memory Guarantee
4. Gamified : Research proves that gamification has a powerful impact in learning. In this light regular learning tournaments will be organised to gamify learning.
5. Stories and Dialogues : All our ancient educational texts (Puranas, Itihasas) are in the form of stories and conversations. We would like to bring back the story format of teaching to make learning interesting and fun.

Application Procedure.

Step No.1 : Send your CV and Demo class recording to the GOT Founder @ 9650407518 on Whatsapp. Also specify which GS Subject you would be interested to teach and why. Send a small paragraph on why you would like to work with GOT.

Step No. 2 : 15 Minute Interview Process.

The organisation reserves the right to select or reject any candidate based on their interview performance and their CV.
