

# AUTUMN HARVEST

**Welcome, everybody**  
**Welcome, time to party**  
**Welcome, everybody**  
**Welcome, to the autumn harvest**

Seasons come seasons go  
*Yeah we like it*  
Autumn winds start to blow  
*Yeah we like it*  
When them leaves start to fall,  
Change in colours and all  
See them dance through the breeze  
Catch them if you please...  
*Hey, hey, hey, hey,*

**Welcome, everybody**  
**Welcome, time to party**  
**Welcome, everybody**  
**Welcome, to the autumn harvest**  
**(Repeat)**

Autumn skies they will glow  
*Yeah we like it*  
So many colours on show  
*Yeah we like it*  
As we see the squirrels run,  
Hiding acorns having fun  
Children coming out to play...  
With conkers every day  
*Hey, hey, hey, hey,*

**Welcome, everybody**
