Husky Families,

Thank you for your continued flexibility and support as we navigate the winter weather. We truly appreciate your partnership and patience as our staff and students adjust to the changing schedules.

Due to ongoing weather-related issues, **Monday, February 2**, will be another **Remote Learning Day**. School facilities will be closed to both staff and students, and there will be no athletic events or after-school activities.

As a reminder, students should continue to complete all assignments posted in **Canvas** and follow the expectations outlined for remote learning. Please take a moment to review the following two important resources to support your student:

- [ABSS Remote Instruction Guidance for Middle Schools](#)
- [HMS Remote Learning Office Hours Schedule](#)

Thank you again for your cooperation and continued support of our school community. We have several important updates and reminders to share, so please take a moment to review the information below.

School Dance UPDATE: Due to the winter weather over the last two weeks, we are moving the school dance to **Friday, February 20, from 4:00–6:00 PM**. Tickets are \$10 and **must be purchased online in advance** using this [LINK](#). **No tickets will be sold the day of the dance**. Students who purchase a ticket online will receive a wrist band the day of the dance. *Please be reminded of the following eligibility guidelines:* Students who accumulate six (6) conduct points in a semester lose the privilege of participating in extracurricular activities, including dances (ISS = 2 points; OSS = 3 points). Students assigned ISS or OSS on the day of the dance or who received disciplinary consequences at a previous dance are not eligible to attend. If a student is unsure about eligibility, they should check with an administrator before purchasing a ticket.

High School Registration: Attention 8th grade families - High school registration is quickly approaching! On **February 12**, all 8th grade students will participate in a morning field trip to Southeast Alamance High School. During the visit, students will hear from Mr. Yarbrough and the SEAHS Counseling Team, tour the school, and learn more about course options available for their 9th grade year. SEAHS will also host a **high school open house** on February 12 for students and families from 6:00 - 7:30 pm. This event will provide an opportunity to meet teachers and learn more about available courses.

- Please be sure to complete the SEAHS field trip permission form using the link below:
