

EPIQC Retreat - COVID Precautions
Friday June 3, 2022

Given the recent uptick in cases we recommend the following COVID protocols for the retreat:

- 1) masking while indoors
- 2) rapid antigen tests Friday morning **before attending**
- 3) when feasible - meals+breaks outdoors
- 4) please do not attend in person if you feel unwell
- 5) notify an organizer if you get covid within 2 days of leaving the meeting.

note: the Friday night social/dinner will be indoors and involve eating.
Please let us know if you do not plan to attend the social/dinner
