The terms and conditions set out below apply to your purchase of the self-study programme, “*The Cyclical Wisdom Vault*” offered by Claudia Sabina Wellness Limited. Please read them carefully as they affect your rights and liabilities under law and set out the terms under which we provide services to you, as purchaser of *the Cyclical Wisdom Vault*. These terms are subject to any rights you have under consumer law to which we are bound to and which cannot be waived.

Course Outline

The Cyclical Wisdom Vault is a self-study set of resources which provides the user with access to information and resources to equip them to begin their journey into cyclical living. It has been set up to make the application of cyclical living as simple and easy as possible.

Course Specifics

Following successful purchase of the course you will receive access to a personal portal with all of the online study materials. You will receive access to video, audio and electronic materials including printable PDF's. You will then have the opportunity to work through the resources in the Cyclical Wisdom Vault in your own time. The course provides the information for you to learn about the menstrual cycle and the lunar cycles and to utilise this information to help maximise your natural productivity at associated phases of the natural cycle.

Whilst all those who have utilised the resources to date have achieved the desired results, it is not possible to provide any guarantees that you will experience any specific results. Failure to complete the self-study materials will limit your ability to benefit from the information provided and will significantly limit any results. The course is not bespoke and includes general advice, should you feel that you need additional support, such as individual one to one coaching sessions, these can be provided separately. The material in this course could cause additional issues to arise, at no point should you delay in obtaining medical input from health professionals.

It is not intended that you will finish the course with a complete and detailed life plan. The Cyclical Wisdom Vault provides strategies and resources to help you integrate the knowledge of cyclical living into your life. It is your individual responsibility to apply what is shared in the vault to your personal circumstances. Each individual is unique and their starting position and commitment to applying the information in the Cyclical Wisdom Vault is unique to them. The aim is that following completion of the course you will have new information, strategies and techniques and have increased your self-awareness of your energy levels during either your menstrual cycle or the lunar cycle which will have positive effects on your whole life.

Please be aware that the course is delivered entirely in English and no translations are provided for videos or text.
