

Kura & Systems Support

The RTLB team is skilled in facilitating professional learning and can provide targeted, tailored and universal workshops that support inclusive education and the intentions of the NELPS. Using a framework of data, systems and practices RTLB work initially with leadership teams to plan professional development for kaiako

- A kura request for support can be made through Schoolgate
- Deliver professional learning for kaiako based on needs analysis or kura annual plan objectives
- Support effective teaching practices that respond to the context
- Provide ongoing coaching and feedback

We can also assist with

- Kāhui Ako projects or groups of kura that support inclusion
- Provide professional development for Kaiāwhina/Learning Assistants
- Supporting secondary schools to establish systems to identify and make applications for students likely to benefit from Special Assessment Conditions (SAC)
- Supporting the implementation of MOE initiatives including Positive Behaviour for Learning, Restorative Practices and associated best practices that support the intentions of the NELPS
