STAY INFORMED

If you want to know what's happening this year, on the day, during the after-party (and next year) it is **very important** that you follow us on Twitter or Facebook:

Twitter: <http://twitter.com/LDNPillowFight>

Facebook: <http://on.fb.me/LDNPillowFight>

BEFORE THE FIGHT

- Get yourself some soft pillows (no feathers, they hurt!)
- **Be cool....** hide your pillows in a bag... keep it a surprise until the last minute!

THE RULES

1. Soft pillows only (and NO extra objects in the pillows)
2. NO FEATHERS, let's not make a mess
3. DON'T LEAVE YOUR PILLOWS BEHIND
4. Remove your glasses before you jump in
5. Start at 3pm (don't jump the gun)
6. Swing lightly (many people will be swinging at once)
7. Do not swing at anyone without a pillow or holding a camera
8. Wear pyjamas or whatever you sleep in (no ugly-naked-guys!)

CLEANING UP

- This event belongs to all its participants. We are all responsible for it.
- Avoid making a mess - take your pillows home, try not to spread feathers.
- Help clean up if you can - bring some bin bags and take your mess with you.

If we want this to happen again we want everyone involve to have a good time, the least you can do

is, please, help with the clean-up.

AFTER THE FIGHT

1. Clean up after yourself (Yes, I'm repeating myself. This is important!)
2. Help clean up in general (so we can come back next year)
3. GO TO THE AFTER PARTY (details below)

GET THE T-SHIRT

<http://bit.ly/LDNPillowFightT> (from £10.50)
The money raised here is not going to charity, but it is thanks to this guy (Marco Morales) that we are able to raise money for Japan. He was kind enough to donate many hours of his time to design us the even logo and ultimately even the pillows (above) which we'll sell to raise money for the Tsunami Appeal. If you can afford it, buy a t-shirt to remember the day and *wear it proudly*!

DO SOMETHING GOOD

Let's raise awareness and money for the Japan Tsunami appeal.

Go on, buy them a pint (figuratively speaking, duh)...

BE NICE and HAVE FUN

Let's not leave a mess behind - take your trashed pillows with you...

Let's not hurt anyone - if you use heavy pillows you're an idiot...

Let's enjoy ourselves!

NEXT YEAR - An Olympic Pillow Fight in 2012?

Yeah, that's right...

...maybe we can turn it into an Olympic sport. Can you imagine?
