Bí Gníomhach - Bí ag imirt, bí mar chuid d'fhoireann spóirt, bí ag siúl, ag rothaíocht, ag rith thart. Nuair a bhíonn muid gníomhach, bíonn muid aclaí agus mothaíonn muid go maith fosta.

Bí i dTeagmháil - Bíodh spraoi agat le cairde, labhair le do theaghlach, bí ag cuidiú sa bhaile, agus roinn do chuid mothúchán. Nuair a bhíonn teagmháil againn le daoine eile inár saol, mothaíonn muid go bhfuil grá ag daoine dúinn.

Tabhair Aird - Amharc agus éist le hachan rud atá ar siúl thart timpeall ort – athrú na séasúr, feithidí, éin, bláthanna agus tuartha ceatha. Tabhair aird ar do chuid mothúchán.

Bí Fial - Déan rud deas do chara leat nó do dhuine sa teaghlach s'agat, bí ag roinnt, déan miongháire. Bí fial leat féin – bí ag súgradh, bí cruthaitheach, bain úsáid as do shamhlaíocht, tarraing pictiúr, déan péinteáil, déan damhsa, bí ag brionglóideach. Nuair a bhíonn muid fial linn féin nó le daoine eile, cuireann sin áthas orainn.

Lean den Fhoghlaim - Bí ag léamh ar mhaithe le spraoi, foghlaim an dóigh le rud úr a dhéanamh, déan do dhícheall. Leag síos dúshlán duit féin, rud sultmhar. Bíonn muid bródúil nuair a fhoghlaimíonn muid rud nua, agus baineann muid sult as.

Bí Cothaitheach

Is é an dúshlán atá romhainn an tseachtain seo ná Bí Cothaitheach. Is é an chiall atá le cothú ná cúram a dhéanamh de dhuine éigin nó rud éigin agus bia a thabhairt dó agus é/í a chosaint, go háirithe páistí óga nó plandaí, agus cuidiú leo forbairt.

Cuir tús le do dhúshlán ach lus na gréine a chothú. Déan taighde ar na rudaí uilig a bheas le déanamh agat lena chothú agus le cuidiú lena fhorbairt agus déan liosta de na rudaí seo. Agus ansin, tosaigh ar an chur!

[Dialann Cúig in Airde \(google.com\)](https://www.google.com)

Bí Cothaithe:

Anois, smaoinigh ar na daoine a chothaigh thú. Cé a dhéanann cúram díot, a thugann bia duit, a choinníonn sábháilte thú agus a chuidíonn leat foghlaim agus fás? Tá na daoine seo sa chuachadh Cúig In Airde s'agat - an fhoireann thart timpeall ort! Déan nóta i do dhialann de na daoine uilig atá i gcuachadh Cúig In Airde s'agat agus an dóigh a gcothaíonn siad thú.

Is féidir linn aireachas a chleachtadh ach an méid a fheiceann, a chluineann, a bholaíonn, a bhlaiseann agus a mhothaíonn muid a thabhairt fá deara. Cad mhéad de na rudaí seo a leanas is féidir leat a dhéanamh nó a aimsiú?

1. Tabhair an aimsir fá deara. An bhfuil sé grianmhar nó scamallach? Cad é mar a mhothaíonn an t-aer duit..... te, fuar, gaofar?
2. Faigh crann agus cuir do lámh ar an choirt agus na duilleoga. Cad lena bhfuil siad cosúil?
3. Bolaigh bláth nó planda. Cad é mar a dhéanfá cur síos ar an bholadh?
4. Breathnaigh ar fheithid gan cur isteach uirthi.
5. Tabhair fá dear an méid a chluineann tú taobh amuigh. An gcluineann tú an ghaoth, éin, nó feithidí?
6. Luigh ar an talamh. Cad lena bhfuil an ithir fút cosúil? Cad é a fheiceann tú sa spéir?

Samhlaigh go bhfuil tú ar an trá. Cad é a dhéanfá don lá?

Samhlaigh go bhfuil tú chomh beag le feithid. Cad é mar a bheadh an saol duit?

Cad é an séasúr is fearr leat, agus cad chuige?

Cad é a déarfá le hainmhithe dá mba rud é gur féidir leo labhairt linn?

Cad é an rud is fearr faoi bheith d'aois féin?

Cén tsárchumhacht a bheadh agat?

Dá dtiocfadh leat a bheith in d'ainmhí don lá, cén t-ainmhí a roghnófá?

High Five Parent Hub

The Parent Hub is a section especially for the grown up sat home. In each issue we'll share helpful tips and good ideas. If you would like us to cover any topics in this section let us know at

primarybsp.enquiries@eani.org.uk

Theraplay Informed Activities

Theraplay informed activities are play based activities designed to focus on strengthening relationships, and create a playful and caring atmosphere that fosters joyful shared experiences. These activities will involve many fun games and a shared small, healthy snack. These activities are personal, physical and fun – a natural way for everyone to experience the healing power of being together.

Structure Activity

The idea is to relieve the child of the burden of maintaining control of interactions. The child set limits, defines body boundaries, keeps the child safe, and helps to complete sequences of activities.

Simon Says

This is similar to "Mother, May I?" but with the added challenge that the child must watch out for commands that do not have "Simon Says" as part of the phrase. Thus, when the game is going rapidly, the leader can suddenly omit to say, "Simon Says," and the unwary participant may do the action without thinking. If a player makes this mistake, it is their turn to be leader.

Drawing Around Hands, Feet or Bodies

Make a picture of the child's hand or foot by drawing it on a piece of paper. Full body drawings require the child to lie still for some time and are therefore more challenging. Be sure to maintain verbal contact as you draw.

Engagement Activity

The idea is to establish and maintain a connection with the child, to focus on the child in an intense way and to surprise and entice the child into new experiences.

Row, Row, Row Your Boat

Sing the familiar song, adding the child's name at the end ("Erin's such a dream"). Small children can be held in your lap. Older children can sit facing you. Clasp forearms rather than hands makes this feel more secure and connected. If another adult is available, child can be seated between you as if in a boat as you row back and forth. The tempo can be varied from fast to slow and back again to practice regulation. You also can rock from side to side. The second, more exciting verse concludes, "If you see a crocodile, don't forget to scream." Then both scream loudly.

Mirroring

Face the child, move your arms, face or other body parts and ask the child to move in the same way. For a very active child you can use slow motion or vary the tempo. Take turns being the leader.

Theraplay Informed Activities

Theraplay informed activities are play based activities designed to focus on strengthening relationships, and create a playful and caring atmosphere that fosters joyful shared experiences. These activities will involve many fun games and a shared small, healthy snack. These activities are personal, physical and fun – a natural way for everyone to experience the healing power of being together.

Nurture Activity

The idea is to reinforce the message that the child is worthy of care and the adults will provide care without the child having to ask.

Slippery Slippery Slip

This is a lotioning activity with an added element of surprise (as well as giving an opportunity to apply firm pressure to the child's body). First rub lotion on the child's hands/arms. Then holding firmly, 'Slippery, slippery, slip', and pull towards you, falling backwards with an exaggerated motion as the slippery arm or hand escapes.

Cotton Ball Touch

Have child close eyes. Touch child gently with the cotton ball. Have child open eyes and indicate where she was touched.

Challenge Activity

The idea is to help the child feel more competent and confident by encouraging the child to take a slight risk and to accomplish an activity with adult help.

Magic Carpet Ride

Have child sit on a large pillow or small blanket, holding firmly to the edge. When the child looks at you, pull him around the room. When he breaks eye contact, stop. This works well on a slippery surface, such as a wood or vinyl floor.

Balancing Activities

The child lies on back on the floor with feet up in the air. Place one pillow on child's feet and help balance it. Add additional pillows one at a time as long as the child is successful. Balance books, pillows, or hats on the child's head and have them walk across the room.

High Five Staff Hub

The Staff Hub is especially for school staff. Check this section each issue for available training, new resources and good ideas to look after our own wellbeing!

The Classroom is a Safe Base

The second principal of nurture is that the classroom offers a safe base. Take time to consider how you can follow this principal for the group of pupils in your classroom.

Creative Meet and Greet every morning

Try these ideas to make sure every child feels seen and welcomed at the start of each day:

- Have a secret class handshake- let the children design it and change it each week, month or term
- Play welcome music as the class arrive- keep it to a limited number of songs for familiarity and match to the energy you want to start the day with.

Calming Effects

Try these sensory ideas to make your classroom feel safe and calm:

- Consider using fairy lights or lamps rather than the “big” light
- Choose times of day to play background music- use a bit of trial and error to find out which playlist is best for your current class
- Have access to cushions and soft seats- not many of us would manage on those hard chairs all day!

The Classroom is a Safe Base

Plan Nurturing Experiences

Try sharing food or doing a job together:

- Have toast time
- Make milkshakes together
- Clean out the paint pots together
- Time working in the school garden

Move and Stretch

Try to avoid sitting in one place for long sessions

Daily Mile could become “twice” daily mile

Even if a child chooses not to join in, they can still benefit from watching / listening to the calming music. Visit [Moovlee](#) or [Go Noodle](#) here.

Remember - every year your group is different so take time to plan how to make your classroom a safe base for the group of pupils in front of you. This will probably look slightly different year on year.
