

Curriculum Team Application

The district is seeking highly-motivated and qualified teachers to serve on the elementary math curriculum and pilot committee. Committee members will serve as representatives for their grade level and building, will be asked to prepare sub plans for days they will be released to work on the committee, and will be responsible for communicating committee updates and decisions to their building administrators, coaches, and teachers. Additionally, committee members will be asked to participate in the pilot process, which could include receiving training on and implementing multiple programs to help determine the best next steps for adoption.

Efforts will be made to have all grade levels and buildings represented, with an ideal make up of at least one primary and one intermediate teacher from each building on the committee. Interested teachers should apply by March 1. The CIA team will review applications and request principal approval prior to finalizing the committee. Applicants will be notified prior to April 1.

1. Full Name:
2. School:
3. Current position:
4. Years in Current Position:
5. Positions held previously and years:
6. Years in Education:
7. Why do you want to serve on the committee and what makes you a good candidate?
8. Tell us about a time when you had to collaborate with others. What was the task? How did you work together with your team?
9. How do you stay organized?
10. How will you ensure adequate and timely communication to your building?

If you would like, please add any additional notes or comments regarding your application, availability, and interest in serving on the back of this page.
